

Independent Telecommunications Pioneer Association 31st Annual Assembly April 21-24, 2023

November 14, 2022

The ITPA National Assembly is a time where ITPA Chapters and Clubs share their community service projects, honor those who have contributed to the industry during our Hall of Fame Luncheon and celebrate the preservation of Telephony and going forward Telecommunications.

Since retiring in 2020 with 40 years of telecommunication experiences, I'm looking forward becoming the President of one the finest volunteer groups serving communities without the United States.

The 31st Annual ITPA Assembly will be held from April 21st thru April 24th, 2023. The place I chose is in Hinesville, GA, the location of our National Office and Museum. Fort Stewart (Army Airfield and base) is also located near our museum.

At the Assembly, I will be inducted a second time as a **ITPA National President**. I am personally asking for your support of the 31st Annual ITPA Assembly by donating at one of the levels listed (see sheet attached).

If you have any questions, please do not hesitate to contact me.

Sincerely,
JoAnn Esposito
1st Vice President, ITPA
