Dear ITPA Clubs/Chapters, Pioneers, and Industry Supporters,

As we emerge from the pandemic and over a year of quarantine, it is time to start planning physical activities. The availability of Covid-19 vaccines, state and local restrictions will allow us to continue our trek to a NEW NORMAL.

Yearly, ITPA brings telecommunications professionals from all over the United States together for an Assembly, but because of Covid-19, the 2020 and the 2021 Assemblies were cancelled. The ITPA National Assembly is a time where ITPA Chapters and Clubs share their community service projects, honor those who have contributed to the industry during our Hall of Fame Luncheon and celebrate the preservation of Telephony and going forward Telecommunications.

ITPA recently celebrated its 100<sup>th</sup> birthday and as we move forward, we need to continue valuable traditions from the past. The good news is the ITPA Board of Directors has elected to resume the in-person event known as the Annual Assembly which is scheduled for April 2022.

At the Assembly, I will be inducted as the 6<sup>th</sup> person to represent Comporium as a **ITPA National President**. I am personally asking for your support of the 30<sup>th</sup> Annual ITPA Assembly by donating at one of the levels listed, see sheet attached. If you have any questions, please do not hesitate to contact me.

Sincerely,

Daniel Barnhardt  
1<sup>st</sup> Vice President, National ITPA
